Activities ♦ Education ♦ Resource

If you are committed to Montessori education and want to support the promotion and expansion of Montessori in Arlington, you have a voice. The Arlington Montessori Action Committee (AMAC) meets monthly during the school year and sponsors year-round informative and fun Montessori events. Visit our website for information and to join our ListServ at www.ArlingtonMontessori.org

♦ Making a Positive Impact ♦

Advocating for the success and growth of Montessori in Arlington.
Secured an additional K-1 class in 2009, allowing more children to continue in Montessori. Advocated for a Montessori Middle School, which is now in its second year at Gunston. Voice Montessori community concerns to the APS School Board, Superintendent, and staff.

Providing on-going educational programming and information for Arlington Montessori families.
Helped create an APS video, "Montessori Revealed" to educate new parents on Montessori pedagogy at the primary and elementary levels. Helped implement the *APS Montessorian*, an APS Montessori newsletter. Provide parent support for APS Montessori Information Nights, disseminate information of interest to Montessori families via the AMAC website.

Creating a vibrant Montessori community through social programs, and connecting private and public Arlington Montessori families.
Co-sponsor countywide Montessori picnics, camping trips, summer playdates, stargazing at a corn maze, and other fun events. Design and sell t-shirts to help identify and celebrate the Montessori community.

Arlington Montessori Action Committee is an organization of Montessori parents and educators whose primary goal is to promote and expand Montessori education in Arlington.

AMAC was formed in late 2006 by several Arlington Montessori parents from different schools as a way to build community and to formalize years of Montessori advocacy. AMAC is not affiliated with any one school, but serves as a way for all Montessori advocates, public and private, to support Montessori education.
